# What to Wear

Most clients bring a variety of dressy and casual outfits to the session. I will help you wear the best options for each location. Don't forget your accessories like hats, sunglasses, and jewelry!

Wear one of the outfits to the session and bring others on hangers. Layering is a fantastic way to change up your look. Bring shoes and appropriate undergarments for each outfit too! Bring your guardians to help! They will love these moments with you!

Make sure your outfits are cleaned and pressed. Wrinkles, lint, and hair will show up on the camera, and I want you to look and feel your very best!
